TCNJ Transfer Credit Fact Sheet

• TCNJ is on a 1 unit (4 credit) system.
• 3 credits in transfer equals .75 TCNJ units.
• 16 units (64 credits) is the transfer credit maximum from a two year institution.
• 20 units (80 credits) is the transfer credit maximum from a four year institution.
• Pre-Algebra, Algebra, Pre-Calculus or Reading courses will not be accepted in transfer. Pre-Calculus can be used to satisfy the prerequisite requirement for Calculus.
• Minimum grade of C is required to transfer a course.
• Courses and credits transfer, not the letter grade. Students will begin with a 0.00 GPA.
• Placement testing is required for all students wishing to transfer second language courses to TCNJ. (based on students’ major).
• Students transferring with less than 8 units (32 credits) will be classified as a Freshman Level Transfer Student.
• Freshman Level Transfer Students will be required to complete all courses that our “first year” freshmen students are required to complete. Including the FSP course and the Civic Responsibilities.
• Students entering TCNJ with 8 units or more will not be required to complete the FSP course or any Civic Responsibilities at TCNJ.
• Students earning an AA or AS degree from a New Jersey Community College will not be required to complete any liberal learning courses or Civic Responsibilities at TCNJ.
• Advanced Placement scores should be sent to TCNJ from Collegeboard to be evaluated based on TCNJ’s standards. The AP Legend can be found at: http://advisingresources.pages.tcnj.edu/test-credit/advanced-placement/
• In some cases students will need to seek further evaluation of their credits from their department chairperson.
• All FINAL transcripts should be sent to the Office of Admissions.
