Congratulations on your acceptance to The College of New Jersey (TCNJ) and your decision to join the class of 2018!

The Office of Records and Registration has compiled an interactive Enrollment Book to support your transition to The College. This resource introduces the important tools to help you build your Fall schedule before your Orientation program. These include PAWS tutorial, placement testing & assessment, first semester sequences, shopping cart and more! Understanding these resources are a must in preparing you for your visit with us in July. The Enrollment Book supplements our comprehensive Register the Pride webpage (created just for you!) at http://firstreg.pages.tcnj.edu/

Subject: First Semester Sequences

The Office of Records and Registration asks you to review the FIRST SEMESTER SEQUENCE for your academic major. All sequences can be found at http://firstreg.pages.tcnj.edu/first-semester-sequence/

Understanding your FIRST SEMESTER SEQUENCE is a critical component to building your schedule and will ensure a smooth registration process at Orientation. Your SEQUENCE identifies those first semester class components such as FSP, Language and/or Liberal Learning which you will need to add to your shopping cart.

Visit our Register the Pride website and review the Enrollment Checklist to stay on track. http://firstreg.pages.tcnj.edu/fall-freshmen/enrollment-checklist-2/
